FAR 91.135 (A) operations in Class A airspace.

STANDARD PROVISIONS

1. A copy of the application made for this certificate shall be attached to and become a part hereof.
2. This certificate shall be presented for inspection upon the request of any authorized representative of the Administrator of the Federal Aviation Administration, or of any State or municipal official charged with the duty of enforcing local laws or regulations.
3. The holder of this certificate shall be responsible for the strict observance of the terms and provisions contained herein.
4. This certificate is **nontransferable**.

NOTE— This certificate constitutes a waiver of those Federal rules or regulations specifically referred to above. It does not constitute a waiver of any State law or local ordinance.

SPECIAL PROVISIONS

Special Provisions Nos. 1 to 9, inclusive, are set forth on the attached pages.

This certificate is effective from April 17, 2013 to April 17, 2014, inclusive. It is subject to cancellation at any time upon notice by the Administrator or his authorized representative.

BY DIRECTION OF THE ADMINISTRATOR

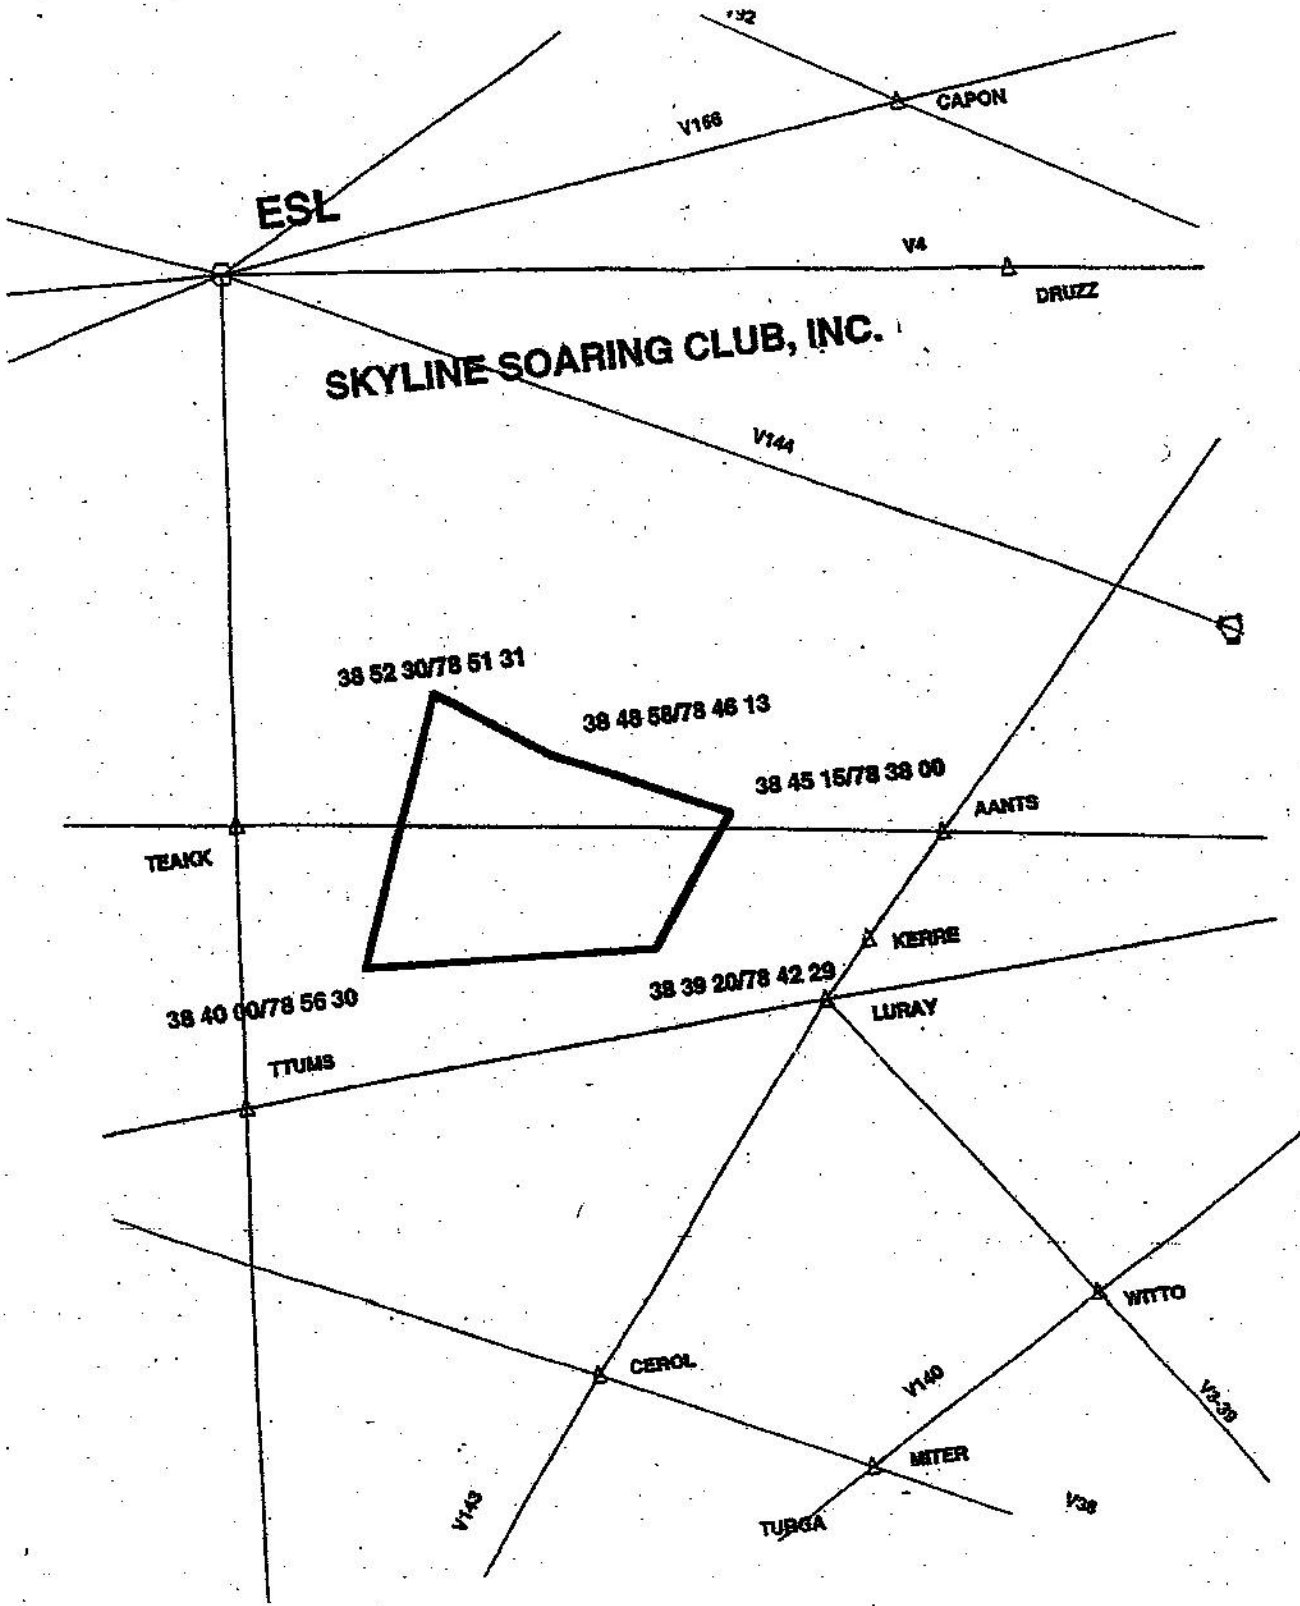

EASTERN REGION

Date: March 12, 2013

For Steve Stooksberry
Acting Air Traffic Manager
Washington ARTCC

SPECIAL PROVISIONS

1. Pilots shall comply with applicable Federal Aviation Regulations.
2. Pilots shall become familiar with local terrain features so that flights will be contained within the glider area by visual reference to the ground.
3. Pilots shall not fly in the authorized area with less than 1,000 feet vertically and 1 mile horizontally from any cloud formation or when flight visibility is less than 5 miles. Visual contact with the ground shall be maintained throughout the flight.
4. This authorization is applicable only during the hours between official sunrise and sunset.
5. Skyline Soaring Club Inc., (SSC) shall be responsible for coordinating the times of the intended use of the authorized area with the Washington ARTCC operations manager in charge: 703-771-3470. This coordination shall be accomplished at least 2 hours in advance and shall include the telephone number where the SSC representative can be contacted during authorized area usage.
6. The SSC shall receive final approval from Washington ARTCC prior to entry into the authorized area on 133.2 or via telephone. SSC shall advise Washington ARTCC when the authorized area is clear of glider aircraft on frequency 133.2 or via telephone at the number listed in provision 5.
7. SSC shall assume responsibility for relay of communications between glider aircraft using the authorized area and Washington ARTCC.
8. SSC shall advise the Washington ARTCC operations manager in charge as soon as possible after glider operations applicable to this waiver have ceased.
9. SSC shall assume separation responsibility between authorized aircraft operating in the glider area.
